GEORGE A. HODE REG. PATENT ATTORNEY U.S. PATENT OFFICE

DEAR MR. BODE:

The purpose of this letter is to inform you, we are terminating any client, attorney relationship with you and your office.

We are in the process of contacting other attorney's to finish the process.

We are very disappointed in the manor in which you handled our case, with your failure to communicate with us directly. Your actions have made it more difficult for us to achieve the results which we desired.

We retain all rights to seek damage against you. Should it be determined that your actions have presented us from receiving the Patent which you undertook to procure for us.

Sincerely.
